DATES TO AVOID REQUEST
2017 PRACTICAL EXAMINATIONS
(TO BE ATTACHED TO THE ENROLMENT FORM)

A candidate should be prepared to present for examination at any time during the published session dates, unless a reasonable request to avoid particular dates has been submitted at the time of enrolment.

Please use this form to request that specific dates be avoided when scheduling practical examinations and to identify candidates who are enrolling for more than one subject in a particular session. A separate form should be completed for each session and submitted by the respective Closing Date for Entries, together with the Enrolment Form.

AMEB practical examinations are scheduled between the hours of 9:00 a.m. and 6:00 p.m. **from Monday to Sunday inclusive**, during government school terms (excluding gazetted public holidays). Examinations might be scheduled on independent school holidays, curriculum days and VCE exam dates unless these dates are specifically advised to AMEB Victoria as dates that should be avoided. Exams might be scheduled on the Saturday, Sunday or Monday preceding the **Melbourne Cup** public holiday unless we have been advised in writing that these dates should be avoided.

Requests to avoid particular dates should be made at the time of enrolment and will only be considered when substantiated by supporting documentation. Such requests will be considered only if related to religious holidays, school exams, school camps, curriculum days, special events or exceptional situations. Every effort will be made to accommodate requests based on the above reasons; however, it will not be possible to accommodate requests made for any other reason. Requests that examinations be scheduled "at the end of a session" (or similar) will not be accepted.

Acceptance of any request to avoid specific dates is subject to the availability of the appropriate examiners and venues.
